A Genuine & Unique American Product  
**THE BUFFALO ROBE**

*AS SEEN IN "DANCES WITH WOLVES"*

Only \$845 (approx. 6'8"x5'6")

Traditional American buffalo robe — a deep, furry winter hide tanned to a soft buckskin. Originally used to keep our great grandparents warm in open carriages and sleighs, today they make beautiful rugs, decorative wall hangings, warm bed covers, and cuddly comforters for couch potatoes.

Buffalo ranching makes good ecological sense for the American prairie, and these lustrous furs come from buffalo raised on Western ranches for their low cholesterol meat.
